'a pair of sneakers and a good attitude'

2020 JUNIOR CLINIC PROGRAMS

Geared and staffed for junior golfers ages 7-14.

Junior clinics are perfect for beginning juniors and for those who want to develop better golf skills. Clinics consist of five (5) lessons, covering safety, set up, the swing, irons, woods, the short game, and golf etiquette. Equipment and practice balls will be provided. Junior golfers are grouped by age range, so students will be playing in age-related peer groups.

Class Fee: \$139
